

Exhibitor Show Badge/Passes
2010

The exhibitor badge/pass is exclusively for use by exhibitors. Please do not attempt to use these passes to admit non-working guests. Identification may be requested by security. The badge/pass is valid for the entire show. Please take care not to loose it. Lost badges can be replaced at the show office at a cost of \$15.00 each.

Your badge/passes will be ready for you to pick up when you check-in. Your company name will be printed on them. If you would like your employee's names added, you must submit this form to us by Feb 10, 2010 to receive your personalized names. (This is optional). Names will not be available for orders received after this date. Business cards will neatly fit into the badge holder if you prefer.

The badge/pass is the only credential that will allow admittance into the show before regular show hours. In other words, without a valid badge/pass in your possession, you will not be allowed into the show before it opens to the public. There are no one-day exhibitor passes.

Exhibitors with a 10x10 ft booth will receive up to 6 exhibitor badge/passes. Larger booths will be provided up to 12 exhibitor badge/passes. If additional badge/passes are required, please contact Fred Hall & Associates with your request.

We now offer a VIP/Guest pass. This is a one-time use pass that allows you to invite a guest to the show. You will be provided (2) VIP/Guest passes for each 10x10 booth space. For example a 10x40 booth will receive (8) VIP/Guest passes.

Subject to show management approval, a limited quantity of additional VIP/Guest passes may be purchased at the show office by exhibitors at the reduced price of \$7.00. No refunds will be issued for unused VIP/Guest passes. VIP passes are show specific, please specify Long Beach or Del Mar when purchasing.

Passes are issued on a controlled basis. Badge/passes or VIP Guest passes will not be mailed to you in advance. For special handling contact our office early.
